Lakewood Municipal Alliance-Who we are

Municipal Alliances throughout the state are comprised of dedicated and concerned citizens, policymakers and stakeholders who want to prevent alcohol abuse and drug abuse in their communities. The Lakewood Municipal Alliance is working to deliver evidence-based prevention programs that have a proven track record of success throughout New Jersey.

The Lakewood MAC directs their efforts toward addressing Underage Drinking.

Interested in having a substance abuse program at your club, group or school? Contact Victoria Machtinger, Lakewood MAC Coordinator at (732) 341-9700 Ext. 7508.

The MAC welcomes your input and participation as we work together to make Lakewood Township a great place to live, work and enjoy.
